

WIRTGEN W 130 Fi

ID	FRBF619
Category	Cold Milling Machine
Manufacturer	WIRTGEN
Model	W 130 Fi
Year of manufacture	2022
Operating hours	2,351 h
Weight	21.4 t
Milling width	1,300 mm
Milling depth	0 – 330

Description

- 4-track drive
- Milling drum FB1300 HT22 PLUS LA15 with 115 picks
- Milling drum housing FB1300
- Milling drum rotation device
- Hydraulically raised side plates
- Milling width 1,300 mm
- Milling depth 0 – 330 mm
- Digital milling depth display on machine panel
- Operator's platform with seat and canopy
- Seat platform laterally adjustable
- Hydraulically folding discharge conveyor
- Variable discharge conveyor speed
- VCS dust extraction system on discharge conveyor
- LEVEL PRO ACTIVE automatic levelling system with cross-slope sensor
- John Deere diesel engine, 6-cylinder with AdBlue
- Electro-hydraulically opening engine hood
- Reversing alarm
- LED lighting with "Welcome-and-Go-Home-Light"
- EU Stage V / US EPA Tier 4f
- Wrap film in WIRTGEN white
